Multiple sources of growth or achievement data from at least two points in time show clear evidence of growth for most students.	Multiple sources of growth or achievement data from at least two points in time show evidence of high growth for all or nearly all students.

Reflective Questions:
As we look toward next year, do you feel that your practice would be enhanced by continuing with this criterion? Or, might it be time to consider further developing your skills with a different criterion?
Given your response to the previous question, what supports can I, as your evaluator, provide for you to maximize your growth next year?

Both signatures required. Signing of this instrument acknowledges participation in, but not necessarily concurrence with, the evaluation. (Attach teacher comments if desired.)
