

GRANT AWARD AND COMPLIANCE

The Board recognizes the acceptance of grant funds is a responsibility requiring diligent stewardship throughout the entire grant period. As such, the Board:

- 1) directs the Superintendent to assure the activities that would be provided by a grant are consistent with the NWESD 189 *Mission* and *Vision*;
- 2) authorizes the Superintendent to accept grant awards on behalf of the NWESD that are consistent with its mission; and
- 3) directs the Superintendent to establish procedures to ensure compliance with law and grantor requirements.
