

PESTICIDE NOTIFICATION, POSTING AND RECORD KEEPING

Upon request, the NWESD 189 will provide notification to staff and parents/guardians of the NWESD 189's pest control policies, methods, and its posting and notification requirements.

The Superintendent is directed to develop procedures to assure that the NWESD 189 complies with the requirements of law regarding pesticide notification, posting and record keeping.

The NWESD 189's procedures for notification will include posting of sites of pesticide applications; and record keeping, including an annual summary report of pesticide usage.
