

# So Many Words... So Little Time!

Teaching Academic Vocabulary  
to Migrant and ELL Students

**Date:** Wednesday, May 29, 2013

**Time:** 8:30 a.m. to 3:30 p.m.

**Place:** ESD 189 in Anacortes

This workshop will provide K-12 teachers and paraprofessionals with knowledge of the Common Core Standards in Academic Vocabulary including the shift to a deeper understanding of word meaning. There is not enough time in a school year to teach all of the academic vocabulary that is needed. Participants in this workshop will learn strategies on how to select the most critical words that will have the greatest impact on student learning in the content areas. Participants will also learn and practice several strategies for direct instruction of vocabulary that are effective with migrant students and English language learners.
