

# Major Migrant Graduation Specialist and Migrant Student Advocate

## Advocacy Services Prioritized as Funded by the MEP

Advocacy: Intervention on behalf of migrant students. The *coordination or facilitation* of access to academic press and social support activities to successfully transition migrant students to the next grade level, support students to complete high school, and promote student transition to postsecondary education/employment.

### MGS = 1 FTE<sup>\*\*</sup> :50 students

Self initiates; collaborates with all; indepth one-on-one mentoring and case management service for most at risk; monitors academics; coordinates academic activities with teachers and counselors; facilitates access to

### MSA = 1 FTE<sup>\*\*</sup> :150 students

Follows lead of administrator; monitors academic progress; may work with students in small group format; facilitates access to services.

*\*Staff with less than a full time FTE may modify level of service as FTE and time permit.*

*\*\*Full Time Equivalent*

**Note:** All services are intended as intervention to ensure high school graduation and are centered on ensuring ACADEMIC success and postsecondary transition. All services focus on the unique and supplemental needs of the migrant student. Staff may NOT supplant services and activities available to all students through the school.
