

# Requirements for Graduation

Find other high school graduation and college planning resources and available scholarship listings at [www.msdr.org](http://www.msdr.org)!

**For some of you graduation is right around the corner...  
Do you know if you are meeting all the graduation  
requirements to graduate with your peers?**

**Understanding what it takes to graduate can be simple. Get informed!!**

The Washington State Office of Superintendent of Public Instruction has information posted at <http://www.k12.wa.us/GraduationRequirements/default.aspx>

to help identify:

*Required classes to earn a Washington State diploma*

*Minimum college/university admission standards*

*State assessment requirements*

*Resources for High School and Beyond and Culminating Project planning*

Your school may have additional graduation requirements. To learn more, meet with your Counselor, Advisor, Migrant Graduation Specialist, or Migrant Student Advocate to get you on your pathway to graduation. You can do it!!
