Regional Special Education Administrator Meeting Dates

NWESD holds four regional meetings each year. These meetings are open to all special education directors and administrators within the 35 school districts in our region. Periodically, there may be topics on the agenda that will be of interest to other administrators/staff in the districts in which case all impacted staff are welcome to attend. This will include the annual law update with Pacifica Law Group in March.

Please hold the following dates on your calendars for these meetings.

If you are a new director and would like to be added to the New Director meeting group, please contact Kristi.
