Scoring Sample Papers

| Student | Content Score | Math Practice Score |
| :---: | :---: | :---: |
| Grade Level : |  |  |
| A |  |  |
| Explanation of Score: |  |  |
| B |  |  |
| Explanation of Score: |  |  |
| C |  |  |
| Explanation of Score: |  |  |
| D |  |  |
| Explanation of Score: |  |  |

What patterns did you observe about your students' work as a whole?

What common misconceptions did you notice?

What experiences do you need to provide your students with this year?

What is your next step?

What other data will you collect to let you know if your students are making growth on this concept before the end of the school year?
