108 Interim Connections Playlists Now Posted to the Digital Library

All 108 Interim Connections Playlists are now posted to the Digital Library! These playlists save educators time by linking interim assessment results to instructional resources. Educators can [access the playlists in the Digital Library](#) with a registered account. In total, over 230 educators across the Consortium contributed their knowledge and expertise by creating playlists and resources to help teachers better help their students. Thank you so much for supporting this work.
