

TITLE	Administering the Locally Determined Assessments for Locally Determined Courses: 2018-2019
DATE, TIME, LOCATION	August 14, 9 AM-3 PM NWESD
AUDIENCE	High School Teachers teaching or supporting the Locally Determined Course and Administered Assessments
DESCRIPTION	This course offers support for those schools/districts offering the Locally Administered Assessment in order to satisfy the mathematics graduation requirement for 2018-2019 High School Seniors. Those attending the in-service will determine how to utilize the tasks found in the COE task bank, as well as the accompanying rubrics and scoring information specified by OSPI, to prepare for their assessments. Additional meetings throughout the year will be determined at this in-service.
LEARNING TARGETS	Participants will understand the Locally Administered Assessment as specified by OSPI and the appropriate use and scoring of the COE tasks throughout the 2018-2019 school year.
