

Locally Determined Course-Locally Administered Assessment Course Assurance

This form should be completed by the District Assessment Coordinator or designee. Beginning June 1, districts can submit the form via email to LAA@k12.wa.us.

Completion of this form certifies district intention to use the Locally Determined Course-Locally Administered Assessment (LDC-LAA) as an assessment graduation alternative for identified students. Upon receipt of the form OSPI will provide the District Assessment Coordinator access to the COE Task Bank. The district will provide the selected course following the state's established criteria, and will administer the COE Local Assessment as part of the LDC-LAA alternative.
