Re: **Sexual Health Education Curriculum Survey**

Community Concern: Rise in the rates of Sexually Transmitted Infections (STIs) in Whatcom County.

Response: Whatcom County Health Department establishment of a community Sexually Transmitted Infection (STI) Prevention Task Force.

Purpose: Bring together community stakeholders to discuss data on STI trends in Whatcom County and collaborate to identify strategies to reduce STI rates within the community.

Task Force Goal: Promote healthy sexual behavior among young people ages 13-24 in Whatcom County.

We Need Your Help!

The Whatcom County STI Prevention Task Force is requesting your assistance in collecting information about sexual health education curriculum being taught in Whatcom County Public Schools. You will be receiving a survey per email in the next few weeks. Please fill it out and feel free to contact Lorali Gray, RN, MEd, School Nurse Corps Administrator at NWESD at lgray@nwesd.org or by calling (360) 299-4013 if you have any questions.

On behalf of student health and safety **THANK YOU!**
