

## Agenda

### Theory of Action:

If we understand and can articulate the current paradigm shift to deeper learning for students and adults, then we can:

- a) Design and lead system change
- b) Enhance Teachers' and Principals' ability to design deep learning experiences which will create positive outcomes for all 21<sup>st</sup> century learners.

# 2015-16 Statewide Teaching and Learning Network Meetings

Hosted in collaboration by OSPI and the AESD Partnership

**When?** October 15, 2015, 9am – 12pm

**Where?** Your regional ESD, via K-20 videoconference

**Purpose:** Join teaching and learning leaders from districts across the state to...

- Learn about and discuss updates/opportunities from OSPI on “top of mind” teaching, learning, assessment, and other instructionally-focused topics.
- Network and collaborate with colleagues within the region and across the state.
- Provide input on teaching and learning issues impacting districts in the state.

## What to bring?

- A laptop or tablet for collaboration, access to meeting resources, and to share your input via the online survey
- Your ideas and yourself!
