Subject: Chronic Absenteeism District Preview Update

Just a quick update....

- We are moving forward with the public release of the Chronic Absenteeism analytics:
 - Thursday, April 13, 11:00 a.m. – 12:00 p.m.
 - The webinar will be very similar to the district preview webinar, and if you would like to participate again, [click here to register](#).
- If you tried to access the student level data file in WAMS, you may have found the file wasn't there. That glitch has been fixed. Here are the [instructions](#) for accessing it.
- If you haven't accessed the preview yet, this [website](#) provides instructions.

If you need assistance or have questions about Chronic Absenteeism, contact:

- **Krissy Johnson**, Student Assistance Program Supervisor
