

# Equity and Formative Assessment Processes

*OSPI Vision: Every Student ready for career, college and life.*

Participant Agenda

## Learning Targets

Participants will:

1. Refresh your understanding of equity, formative assessment practice, and the connections between them.
2. Understand the importance and value of cultural competency as it relates to equity.
3. Identify practices you can implement in your school or classroom to enhance the outcomes for every child in your school system.

Action	Time	Learning Target
