# Innovative Educators' Symposium

\* Leveraging innovation and collaboration to achieve **Equity of Access and Equity of Results** in Western Washington school districts.

**May 31, 2017, 8:30 a.m. to 3 p.m.**

NWESD, 1601 R Avenue, Anacortes WA 98221

Registration is **FREE**

The purpose of the Innovative Educators Symposium is to share the practice of deeper learning from the practitioners perspective. Attendees will learn what deeper learning is and is not. They will learn strategies that school teams used to create deeper learning conditions. Time will also be spent on sharing the importance of planning and how the principles of lesson design will lead to deeper learning experiences for all students.

**Northwest Educational  
Service District 189**
