- View your scholarship match score

## Connect With Opportunities

Colleges and companies across the country are looking for talent on STEM Premier right now.

- 200+ colleges and companies
- 2-year & 4-year colleges
- Manufacturing, healthcare, technology, and other industries represented

# Washington State STEM Signing Day

Apply to be recognized as the top STEM talent in Washington state.

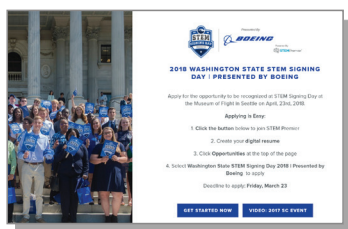

## About STEM Signing Day 2018

Boeing's STEM Signing Day will be an opportunity for high school seniors to be recognized as the top STEM talent at the Museum of Flight in Seattle on **April 23rd, 2018**. Students may apply for this recognition through STEM Premier.

Ready to apply? Follow the steps below!

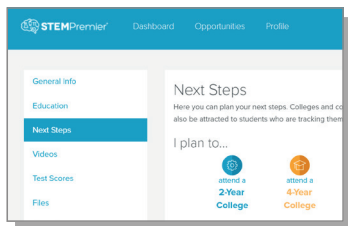

Students will be chosen based on their STEM Premier digital profile.

## 1 Join STEM Premier

- Go to [www.stempremier.com/stemsigningday2018wa](http://www.stempremier.com/stemsigningday2018wa)
- Click **Get Started Now**
- Create your account - **it's free**

## 2 Build Your Profile

- Follow the **steps on your screen** to add a profile picture, your current school, next steps, and career interests
- Go to **Edit Profile** and continue to add more information about yourself: test scores, videos, projects, activities, and more
- **You will be selected based on your profile strength, so please complete your profile to the best of your ability.**

## 3 Apply For STEM Signing Day

- Click **Opportunities** at the top of your account
- Search for **Washington STEM** under **Organization Search**
- Click **Washington State STEM Signing Day 2018 | Presented by Boeing**
- Apply! **Deadline:** March 23, 2018
