

Performance Task (PT) Full Write Resources

(AA) Annotated Anchors: [Grades 3–6, 8](#) [Annotate Anchors for PTs](#)

Student writing samples from the pilot test are provided with annotations explaining scores across a range of scores for all three full write rubrics. (Note: the pilot test did not specifically ask students to cite sources or use multiple sources; current PTs **do** ask students to use multiple sources and attribute it.)

(P) Practice test: [Grades 3–HS](#) [Practice Test Scoring Guides](#)

Performance tasks are available for students to practice online. Additionally, a scoring guide provides the stimuli and associated items, including the research items in part 1 and the student directions and task for the full write in part 2. This guide does not include exemplars or student samples for the full writes but does include the rubrics used for scoring.

(SG) Scoring Guide: [Grades 3, 6, HS](#) [Scoring Guides - Baseline Sets](#)

The guide provides rubrics and student sample baseline anchor sets which are used to anchor the scoring of student responses for all three rubrics. Student responses are paired with annotations explaining the scoring. Note: Does not include the original task or texts, just student responses. *Note: You must log in to TIDE in the WCAP Portal to access these.*

(INT) Interims IAB and ICA: [Grades 3–HS](#) [WCAP Portal](#)

Teachers can preview the interims in the Assessment Viewing Application (AVA). The PT is identical for both IABs and ICAs. Students can practice online by taking an interim and teachers can use the Teacher Hand Scoring System (THSS) Materials to score their students’ responses. Student results and responses are available in the *AIRWays* application. (For information about these applications, see the WCAP Portal.)

GRADE	NARRATIVE (3–8)	INFORMATIONAL (3–5) EXPLANATORY (6–HS)	OPINION (3–5) ARGUMENTATIVE (6–HS)
3	SG student responses only	AA/P Astronauts* P Astronauts	INT Beetles
4	INT Unlikely Animal Friends	AA/P Animal Surroundings*	
5	INT Whales		AA/P Service Animals *
6	AA Robots P Hiking Grand Canyon	SG student responses only	INT Multivitamins
7		P Napping INT Mobile Education Tech.	
8		INT Cliff Dwellings	AA/P Penny *
HS	N/A	INT Learning Styles	AA Fracking P Financial Literacy SG student responses only

**Some PTs used for the Annotated Anchors are the same as the Practice tests.*
