## Location

NWESD, Mt. Erie Room  
1601 R Ave, Anacortes WA

## Registration

[Event 83639](#)

If you have registration questions,  
please contact Anita Garcia-Holzemer  
[agarcia@nwesd.org](mailto:agarcia@nwesd.org) or 360-299-4044

## Questions?

Contact Sarah Southard  
[ssouthard@nwesd.org](mailto:ssouthard@nwesd.org) or 360-299-4045

Learn how to generate reports and use the data that you have entered into Teaching Strategies GOLD to inform your instruction, target interventions, create thoughtful groupings, monitor progress and share with families, colleagues, and administrators.

We will take time to collaboratively look at student data, reflect on what students are needing now, and begin to develop plans to support their next steps in learning.

Recommended for Kindergarten teachers, mentors, coaches, etc.

Five clock hours will be available.

**Northwest Educational  
Service District 189**
