Northwest Educational Service District 189

**Northwest Educational
Service District 189**

Together We Can

Gathered on Indigenous Lands

We would like to begin by acknowledging that we gather today on the ancestral homelands of the Coast Salish Peoples, who have lived in the Salish Sea basin, throughout the San Juan Islands and the North Cascades watershed, from time immemorial.

Gathered on Indigenous Lands

We would like to express our deepest respect and gratitude for our indigenous neighbours -- **The Samish Indian Nation** and **The Swinomish Indian Tribal Community** -- for their enduring care and protection of our shared lands and waterways.
