

# NWESD's Teaching & Learning Department

## Highly Capable Professional Development Opportunities

Is your school ready for HiCap implementation this fall? We are here to help! We have two HiCap training opportunities coming up in April and June for administrators and teachers. Check our website for registration information at [www.nwesd.org](http://www.nwesd.org).

### Designing a High Quality K-12 HiCap Program for Your District

Who are these "highly capable" learners and how might schools address their unique learning requirements? Review an array of recommended K-12 service delivery models and begin planning your menu of programming options, goals, and instructional strategies. This is a two-part series. Part 1 will be a six hour training held here at the NWESD. Part 2 will be held at your local site where you will receive additional, customized assistance to complete necessary components of your HiCap program plan for full implementation by the 2014-15 school year. The target audience is administrators and HiCap planning teams. Send a team of 3 or 4. Cost is only \$200 for your entire team. Led by Jan Bonzon. 9 clock hours are available for \$23. Registration is not available online. Please contact Anita Garcia-Holzemer (360-299-4044 or [agarcia@nwesd.org](mailto:agarcia@nwesd.org)) to register.

Session ID 30699

*Designing a High Quality K-12 HiCap Program*

Part 1: April 22

Part 2: TBD in district

### HiCap Students: Proven Strategies to Meet Their Needs

The teaching strategies covered in this workshop will support highly capable students in the general education classroom as well as in an enrichment model. They align with new teacher evaluation criterion #3: Recognizing individual student learning needs and developing strategies to address those needs. This two day workshop held at the NWESD will cover *Nature & Needs*, *Best Practices for Highly Capable Learners*, and *Metacognition: Critical and Creative Thinking Skills*. The target audience for this class is K-12 teachers and administrators. Cost is \$140 per person. Led by Nancy Smith and Linda Varner. 12 clock hours are available for \$29. Go to our website to register.

Session ID 30687 *HiCap Students: Proven Strategies to Meet Their Needs* June 19-20 \$140
