Number of Enrolled and Remaining Students Per Year

- Eligibility rates for each cohort of students represents the number of students who qualify for FRPL during the fall quarter of their seventh grade year.
- Enrolled means that a student has a complete application (student/parent signature is included, one or more of the income standards is checked).
- Index and Shaw Island School Districts have reported 0 eligible students for this cohort in both years.

** In certain cases, rates might exceed 100% because more income eligible students sign up by the end of the eighth grade. When rates exceed 100%, we have recoded data to 100%.
