

Creating the Conditions for Culturally Responsive Teaching

Using a scale of 1-5 (1= not at all, 5= completely) To what extent is there...	School Board	District Office	School Leadership	Classrooms	Community
... a commonly held understanding about the five presuppositions?					
...a desire to see a shift in academic achievement?					
...a willingness to interrogate practices?					
...a climate of intellectual safety for educators?					
...a systems approach and connections with a willingness to try, retry, etc.					

What patterns or trends are emerging?

What are some groups or areas for intentional focus?
