

# ELPA21 Preparation Notes

Testing Window: January 28th to March 22nd

Basic Test Prep:

- Test Proctoring
  - make sure you have your login information
  - make sure you have the link to the testing site:  
<https://wa.portal.airast.org/users/test-administrators>
  - make sure you have access to a computer in your testing location (there must be an extra computer for you to use to monitor the testing session during the entire test)
- Student login cards
  - be sure to print out and cut up cards for use
  - It may be helpful to highlight the first name and SSID number for each student

OSPI Preparing for the Test:
