Review Minutes – The meeting minutes from September 27, 2016 were reviewed and can be viewed [HERE](#).

Budget Status - The budget was reviewed and can be viewed [HERE](#). Discussion ensued about the potential carryover. Some of the ideas discussed were:

- Summer wrap-up with teachers and EL Specialists – one day to work on action plans;
- Bring in GLAD trainers;
- Support EL teachers to get EL endorsements;
- August Kick-off event;
- Lower fees for 2017-18;
- Pay for a summer professional development speaker/workshop/event.

Nothing was decided at this time. Pam will investigate these options further and provide costs to the Council either via email or at the next Council meeting.

ACTION ITEM: Pam cost out options for use of potential carryover funds and share with the Council either via email or at the next Council meeting.

Planning for 2017-2018 – A short discussion was had about plans for next year. It was evident that options are going to have to be available for districts because of their varying needs. NWESD will send the EL Administrators a survey to gather input about what their needs are for next year.
