

EL Team Planning Guide – May 2017

District	
Cooperative Participants	

Review your team notes from the day. As you think about the your district's EL Program design, which areas are most pressing in terms of potential impact on *student* learning? Use spaces below (and additional pages as needed) to record your team's analysis of current practice, goals, and plan.

Area of Focus:
Describe keepers and concerns with your current practice.
Identify desired goals/outcomes.
List next steps to accomplish these goals and who is responsible for the work.
