

HiCap Cooperative Meeting April 28, 2015 2014-15 Recap

What should we STOP doing?

- Can't think of anything to stop doing. **
- We can stop spending an entire session on identification or forms. Maybe we can just revisit.
- Process and state requirements/policy – maybe updates and yearly review.

What should we CONTINUE doing?

- Jan's support – on-site and technical assistance. ***
- Continue websites. ***
- Guest experts are very helpful. **
- Sharing out.
- Face-to-face meetings/trainings.
- K-1 support for cluster grouping, 7-12 support for cluster groups.
- Bring a team.
- Yearly review of state language.

What should we START doing?

- Problem of practice, case studies. **
- An area of need is professional development for teachers. **
- Program implementation/tech/curriculum**
- Clarity around the districts
- Support of the HiCap student.
- Examples of student learning plans. In all areas or just identified areas in district?
- More sharing of programs and services in our partner districts.
- Coordinate like-sized school districts to collaborate one or two times per year.
