# Why Deeper Learning?

# Leadership Key to Student Learning

“Leadership is second only to classroom instruction among all school-related factors that contribute to what students learn at school.”

*-- How Leadership Influences Student Learning,  
Leithwood, et al, 2004*

“Six years later we are even more confident about this claim.”

*-- Learning from Leadership: Investigating  
the Links to Improved Student Learning,  
Louis, et al, 2010*

What do equity-driven leaders for deeper learning need to know and be able to do?
