

Guiding Questions for Discussion

<i>In light of our perceptions, what do we currently have in place that we think is working for our STAFF?</i>	<i>What do we think needs to be changed and/or implemented to more appropriately meet the needs of STAFF?</i>	<i>What and/where do we have our greatest support and/or resources?</i>	<i>What is in our control to impact? (We may have concerns, but what can we control?)</i>	<i>What ACTION ITEM is needed to address each need?</i>
