

## **‘Firming-Up’ District-Specific Decisions about Multiple Measures for Teachers Protocol**

Purpose: Deepen their understanding of the observable and collectable evidence for their chosen teacher evaluation model

### *Intra-District*

#### ***Protocol***

- |            |   |
|------------|---|
| 1 minute   | Choose a timekeeper, recorder, and facilitator  |
| 3 minutes  | Individually, review the organization of the “Methods of Collecting Data for the Teacher Evaluation Criteria” document, noting the criteria column and the categories of measures columns.  |
| 1 minute   | Divide the 8 criteria among your group members, assigning each criterion to no fewer than 2 members. Some pairs may have 2 criteria.  |
| 15 minutes | For your given set of criteria, consider what District initiatives likely to continue for several years. Think of as many as possible, then categorize by the provided columns and note those initiatives in the appropriate cell.<br><b>Note: some cells will be empty</b> |
| 25 minutes | Each pair shares their analysis and suggestions. Recorder will note the suggestions on the provided posters. This poster will be used this afternoon.   |
