AMENDMENT TO ELL COOPERATIVE AGREEMENT

BETWEEN

Northwest Educational Service District 189 *(Hereinafter referred to as NWESD)* **AND** **San Juan Island School District** **Name** *(Hereinafter referred to as District)*

THE PURPOSE OF THIS AMENDMENT is to reduce the base membership fee for the ELL Cooperative.

Section **IV. ORGANIZATION FINANCE/BUDGET MAINTENANCE** reads as follows:

For Districts choosing to participate will pay a 2016-17 base membership fee in the amount of six thousand five hundred dollars ($6,500.00). This base membership fee will include training and support for one district administrator, up to two district ELL specialists, and up to four ELL teachers. Districts choosing to include additional ELL specialists will additionally pay one thousand dollars ($1,000.00) per ELL specialist. Districts choosing to include additional teachers will pay five hundred dollars ($500) per teacher. However, two (2) exceptional situations have been identified and will apply: 1) San Juan Island school districts will collectively be considered one (1) district (e.g., the $6,500 fee and training/support seats would be proportionately based upon October 1 student full time enrollment), and 2) as the K-8 Conway School District will participate as a component of the Mount Vernon School District, as its designated high school district, and will pay only the additional resulting fees (e.g., $1,000 for the extra ELL specialist).
