

NWESD HIGHLY CAPABLE PROGRAM 2017-18 COOPERATIVE AGREEMENT

I. INTRODUCTION

WHEREAS, legislatively approved staffing ratios preclude the resident districts from generating sufficient staff to meet the needs of students with Highly Capable students;

WHEREAS, cooperative student programs provide a more efficient and economical basis for managing and implementing some Highly Capable-related services;

WHEREAS, districts have chosen to avoid unnecessary duplication of unusually expensive programs and rather choose to try to free up resources to provide educational programs not otherwise available;

WHEREAS, Northwest Educational Service District 189 (hereinafter referred to as "NWESD") has historically provided special instructional support services on a cooperative basis;

WHEREAS, several local school district Boards of Directors within the Northwest Educational Service District 189 (hereinafter referred to as NWESD) service area have determined that support for the design and implementation of Highly Capable programming can be accomplished on a cooperative basis more economically and efficiently, they have requested that NWESD form a Highly Capable Cooperative to help provide this support;

WHEREAS, RCW 39.34, RCW 28A.310.180, and RCW 28A.310.340 authorize the school districts and educational service districts to join together to engage in various activities, including having the educational service district provide cooperative service programs; and,

WHEREAS, the Board of Directors and Superintendent of NWESD have agreed to coordinate and operate the Cooperative.

NOW THEREFORE, a Highly Capable Cooperative is hereby created wherein NWESD will provide High Capable program development services to the district which is signatory to this Agreement for Cooperative Service Program (herein referred to as "Agreement"), according to the terms and conditions contained herein.

II. NAME/PURPOSE

This Cooperative will be known as the NWESD Highly Capable Program Cooperative (hereinafter referred to as "Cooperative"). The purpose of the Cooperative is to provide opportunities for member regional school district Highly Capable Program leads to receive regular coaching/support at their work sites to address contextual challenges/needs and to collaborate with others within the region in order to collectively identify and create solutions for issues of Highly Capable Program design and implementation.

III. MEMBERSHIP

Membership in this Cooperative will be limited to school districts and private schools located within the boundaries of NWESD, or their sponsored entities. All membership applications require submission of two (2) appropriately completed copies of this Agreement, signed by the local school district Superintendent, or private school Administrator.

Membership in this Cooperative requires all members to sign this Agreement. "District" shall hereafter refer to districts that have signed the Agreement for the initial 2017/18 program year, or any successor year, and agree to be financially responsible as a Cooperative member for the annual fees established pursuant to Section V of this Agreement.

IV. ORGANIZATION AND FINANCE/BUDGET MANAGEMENT

It is the desire of the members to have NWESD operate and supervise the Cooperative. In order to meet this desire, the NWESD will incorporate in its General Fund Budget the dollars collected from the districts participating in this Cooperative, will account for the expenditures of this budget as all other expenditures in the General Fund are accounted for, including the internal controls necessary to protect the funds of this Cooperative, and will collect the monies from the members of this Cooperative and spend said monies for the operation of the Cooperative as allowed for by this Agreement.

Prior to the start of each year, NWESD will develop a proposed annual budget, including indirect costs of nine percent (9%) for the NWESD administration of the Cooperative. Such budget will be provided to each District representative and the Advisory Council members for review.

Attachment A to this Agreement describes the fee schedule for 2017-18. Each District choosing to participate will pay a 2017-18 base membership fee in the amount of two thousand dollars (\$2,000.00). This base membership fee will include participation at professional learning community meetings. One additional service package is available to districts for an additional fee – as described in Attachment A. Membership fees for the Sultan School District are calculated as follows:

- NWESD HiCap Cooperative Base Fee, \$2,000 (✓) please initial
- Teacher Training Package, \$2,300 () please initial

This rate may be adjusted annually by the Advisory Council, but will minimally be set at a level that permits recovery of all operating costs, including NWESD indirect charges.

Annual invoicing in September will be provided in order to permit participation. If initial membership occurred after August 15, an invoice will be provided within thirty (30) days this Agreement's execution for the first year. Delinquent accounts may be assessed an interest charge of one and one half percent (1.5%) per month. Any adjustments to the fee schedule that are approved by the Advisory Council will be provided to all participating districts within thirty (30) days. Any participating District may use the Cooperative's services at the established fee. Any deficit incurred by the Cooperative will be reclaimed from subsequent year(s) budgeted repayment.
