This clause does not include contracts of employment between NWESD 189 and personnel assigned to work under this Agreement.

If, at any time during the progress of the work, OSPI determines in its sole judgment that any subcontractor is incompetent, OSPI shall notify NWESD 189, and NWESD 189 shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by OSPI of any subcontractor or the termination of a subcontractor shall not relieve

TERMINATION

Either party may terminate this Agreement upon thirty (30) calendar days' prior written notification to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.

 - 1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
 - 2) When OSPI determines that the funding insufficiency is resolved, it will give NWESD 189 written notice to resume performance, and NWESD 189 shall resume performance.
 - 3) Upon the receipt of notice under b. (2), if NWESD 189 is unable to resume performance of this Agreement or if NWESD 189's proposed resumption date is not acceptable to OSPI and an acceptable date cannot be negotiated, OSPI may terminate the Agreement by giving written notice to NWESD 189. The parties agree that the Agreement will be terminated retroactive to the date of the notice of suspension. OSPI shall be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the retroactive date of termination.

OSPI shall be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the effective date of termination. No penalty shall accrue to OSPI in the event the termination option in this section is exercised.
- d. For purposes of this section, "written notice" may include email.

TERMINATION FOR CAUSE

If for any cause, either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. The responsible party will be given the opportunity to correct the violation or failure within fifteen (15) working days. If failure or violation is not corrected, this Agreement may be terminated immediately by written notice of the aggrieved party to the other.

TERMINATION PROCEDURE

Upon termination of this Agreement, OSPI, in addition to other rights provided in this Agreement, may require NWESD 189 to deliver to OSPI any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Agreement. OSPI may withhold from any amounts due to NWESD 189 such sum as OSPI determines to be necessary to protect OSPI against potential loss or liability.

The rights and remedies of OSPI provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Agreement.

- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of OSPI to the extent OSPI may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to OSPI and deliver, in the manner, at the times and to the extent as directed by OSPI, any property which, if the Agreement had been completed, would have been required to be furnished to OSPI;

- f. Complete performance of such part of the work not terminated by OSPI; and
- g. Take such action as may be necessary, or as OSPI may direct, for the protection and preservation of the property related to this Agreement which, in is in the possession of NWESD 189 and in which OSPI has or may acquire an interest.

WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a writing signed by an authorized representative of the party and attached to the original Agreement.

ALL WRITINGS CONTAINED HEREIN

Attachment B – Federal Grant Terms and Conditions

PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE DRIVING DURING OFFICIAL FEDERAL GRANT BUSINESS

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

MEMORANDUM to ED GRANTEEES REGARDING THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.

- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
 - All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:
The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting and conference-related expenses.

Attachment C – Travel Guidance Washington State Migrant Education Program Travel Guidance Fiscal Year 2020-21

Per Contract:

“ESD 189 shall contact via email, the OSPI Contract Manager, for approval of out of state travel prior to encumbering Migrant funds for this purpose.”

1. Only two staff members from each ESD will be approved for out of state travel per Fiscal Year.

e.g. National Conference on Math-2 staff members attend; or
Engineering is Elementary Conference- one staff member, National Conference on Math -one staff member

Exception: NASDME attendance, proposal may be submitted for more than two migrant funded staff members to attend. However, this will be considered on a case-by-case basis.

2. When emailing for approval please include the following:
 - a. Staff member(s) attending
 - b. Name of conference, purpose and goal of conference
 - c. SOW Activity conference would directly impact/fall under
 - d. Cost of attendance
 - e. Follow-up activities and/or area of professional learning
 - f. How funding for this proposal will not impeded delivery of services including summer programs.
3. Contact OSPI via email
 - a. Lupe Ledesma,
 - b. Veronica Gallardo, cc'd

Question on state travel for coordination/collaboration:

1. If **OSPI** is specifically requesting this extra travel after the SOW and FY budget allocations have been established/approved, then OSPI will fund.
2. If **ESD A** is individually requesting this support from **ESD B**, then in good form **ESD A** should offer to pay additional expenses.
3. If **ESD A** cannot pay, and if **ESD B** consents to shouldering the extra expense within **B's** budget, then **ESD B** can cover it. However, this is discretionary on **ESD B's** part.

Background Note: In an effort to honor ESD inter-agency agreements, do not respond directly to an out-of-region district request. Please refer the district to their corresponding ESD Migrant Education Program. The request for assistance would need to come from the requesting district's home ESD. Both affected ESDs superintendents would then need to give their approval in order to proceed.
