ESD is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Agreement are included in any and all subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of ESD to OSPI for any breach in the performance of ESD duties. This clause does not include contracts of employment between ESD and personnel assigned to work under this Agreement.

If, at any time during the progress of the work, OSPI determines in its sole judgment that any subcontractor is incompetent, OSPI shall notify ESD, and ESD shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by OSPI of any subcontractor or the termination of a subcontractor shall not relieve ESD of any of its responsibilities under the Agreement, nor be the basis for additional charges to OSPI.

TERMINATION

Either party may terminate this Agreement upon thirty (30) calendar days' prior written notification to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.

- b. At OSPI's discretion, OSPI may give written notice to ESD to suspend performance when OSPI determines there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow ESD's performance to be resumed.
 - 1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
 - 2) When OSPI determines that the funding insufficiency is resolved, it will give ESD written notice to resume performance, and ESD shall resume performance.
 - 3) Upon the receipt of notice under b. (2), if ESD is unable to resume performance of this Agreement or if ESD's proposed resumption date is not acceptable to OSPI and an acceptable date cannot be negotiated, OSPI may terminate the Agreement by giving written notice to ESD. The parties agree that the Agreement will be terminated retroactive to the date of the notice of suspension. OSPI shall be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the retroactive date of termination.
- c. OSPI may immediately terminate this Agreement by providing written notice to ESD. The termination shall be effective on the date specified in the termination notice. OSPI shall be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the effective date of termination. No penalty shall accrue to OSPI in the event the termination option in this section is exercised.
- d. For purposes of this section, "written notice" may include email.

TERMINATION FOR CAUSE

If for any cause, either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. The responsible party will be given the opportunity to correct the violation or failure within fifteen (15) working days. If failure or violation is not corrected, this Agreement may be terminated immediately by written notice of the aggrieved party to the other.

TERMINATION PROCEDURE

Upon termination of this Agreement, OSPI, in addition to other rights provided in this Agreement, may require ESD to deliver to OSPI any property specifically produced or acquired for the performance of such part of this Agreement as has been terminated.

OSPI shall pay to ESD the agreed upon price, if separately stated, for completed work and services accepted by OSPI and the amount agreed upon by ESD and OSPI for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by OSPI, and (d) the protection and preservation of the property, unless the termination is for cause, in which case OSPI shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Agreement. OSPI may withhold from any amounts due to ESD such sum as OSPI determines to be necessary to protect OSPI against potential loss or liability.

The rights and remedies of OSPI provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Agreement.

After receipt of a notice of termination, and except as otherwise directed by OSPI, ESD shall:

- g. Take such action as may be necessary, or as OSPI may direct, for the protection and preservation of the property related to this Agreement which, in is in the possession of ESD and in which OSPI has or may acquire an interest.

WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a writing signed by an authorized representative of the party and attached to the original Agreement.

ALL WRITINGS CONTAINED HEREIN

This Agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.

IN WITNESS WHEREOF, the parties have executed this Agreement.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO State of Washington Office of Superintendent of Public Instruction (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
