4. The parties acknowledge that regional itinerant services are designed to provide equitable access to specialized educational support across the NWESD region. While service allocations under this Interlocal Agreement establish the anticipated onsite service commitment, service delivery requires consideration of travel requirements, scheduling logistics, student needs, provider availability, workload considerations, and other regional operational factors. These considerations may affect the scheduling and coordination of services but shall not alter the service allocation identified in this Addendum except as otherwise agreed to by the parties in writing.

ADDENDUM B
SCOPE OF WORK
Teacher of the Visually Impaired (TVI)
and Orientation & Mobility (O&M) Services

This Addendum B is incorporated into and governed by the terms of the Interlocal Agreement between the Northwest Educational Service District 189 ("NWESD") and the District.

I. PROGRAM OVERVIEW

The NWESD Teacher of the Visually Impaired (TVI) and Orientation & Mobility (O&M) Program is designed to provide equitable access to specialized educational services and supports across participating districts within the NWESD region. Services are delivered through a regional itinerant service model intended to support students with visual impairments and related educational needs in accordance with applicable federal and state laws and regulations.

Because service delivery occurs across multiple geographic locations, travel time, scheduling logistics, student needs, provider availability, and operational considerations affect regional staffing and scheduling. Service allocations are therefore based on student needs, travel requirements, and regional operational considerations while maintaining equitable onsite service expectations across participating districts.

II. SCOPE OF SERVICES

In accordance with this Interlocal Agreement, the NWESD shall provide Teacher of the Visually Impaired (TVI) and/or Orientation & Mobility (O&M) services to the District as identified in this Program Scope of Work.

1. Services may include:
    a. Specially designed instruction (SDI).
    b. Data collection and service documentation.
    c. Participation in IEP meetings.
    d. Conduct re-evaluations.
    e. Consultation with District staff, families, and service providers.
    f. Entry into the District's special education data management system as applicable.
    g. Student support services.
    h. Other related service provider duties mutually agreed upon by the District and the NWESD.
2. The NWESD shall provide appropriately credentialed itinerant staff in support of the service allocation identified in **Addendum A – Service Commitment**.
3. The NWESD shall provide administrator oversight and supervision of NWESD staff assigned under this Interlocal Agreement. Administrator support may include observations, evaluations, professional support, and assistance related to students on the provider's caseload who are involved in dispute resolution matters, including mediation or citizen complaints, as applicable.
4. The NWESD shall provide the related service provider tools, materials, technology, assessments, protocols, and equipment reasonably necessary to support service delivery under this Program Scope of Work, including laptops, assessment tools, and related service materials as appropriate. Student related specialized technology, equipment, and other supports will be provided by the District.
5. The NWESD shall not be responsible for legal fees or legal costs incurred by the District related to the provision of special education services under this Interlocal Agreement.
6. Requests for initial evaluations, independent assessments, or other services outside the staffing allocation, caseload commitment, or scope identified in **Addendum A – Service Commitment** may

Docusign Envelope ID: D1F2F16C-A6FE-8CEF-82DF-B2F979CC2A99

require a separate agreement or written amendment between the parties, subject to provider availability and operational capacity.

III. WORKLOAD, CASELOAD, AND SERVICE DELIVERY CONSIDERATIONS

1. Certificated Related Services Itinerant Program staff generally work within a regional service delivery model designed to provide equitable access to specialized educational services across participating districts.
2. Certificated itinerant staff provide direct and consultative services and perform other professional responsibilities associated with their role and certification. A full day of services shall include approximately six (6) hours of onsite service delivery to the District. The remaining portion of the workday may include travel associated with regional and in-district service delivery and other professional responsibilities related to service delivery.
3. Caseload considerations account for the number of students on Individual Education Plans (IEPs) who need consultative or direct services from a Related Services Itinerant Program member (TVI, SLP, OT, PT, BCBA, etc.). Itinerant caseload considerations consider the number of students on IEPs, the "workload" or the total number of minutes that a caseload of students requires, and the number of potential re-evaluations for the school year. They may provide interventions and/or other supports to students, and consult with students, teachers, school/district staff, and families, in addition to their evaluation/assessment and report-writing duties. Workload considerations consider direct service time as well as other professional responsibilities, including the time required for documentation, planning, meetings, evaluation/assessment time, equipment adjustment and training, staff training, development of individualized student programs (i.e., positioning equipment use, etc.), number of sites being served, and travel time. In recognition of the impact of caseload size and workload considerations on service quality, caseload ranges are established on position, severity and frequency of students' needs, and any significant travel times.
    a. Examples of caseload are (these times provide travel, reporting, meetings, evaluations, etc.)
        1. Generally, 20-30 students equal a full-time caseload.
        2. Generally,10-15 students equal a half-time caseload.
4. Service allocations are based upon workload and service capacity considerations rather than a fixed number of students. Student service needs may vary significantly in frequency, duration, intensity, and required support. As a result, the number of students served during a service day may vary depending upon individual student needs and operational considerations.
5. Should the District request additional caseload or expanded services beyond the scope identified in **Addendum A – Service Commitment**, the parties may amend the Interlocal Agreement or enter into a separate agreement subject to provider availability and operational capacity.

IV. ACKNOWLEDGEMENT AND APPROVAL

By signing below, the parties acknowledge and agree to the program scope, workload considerations, operational expectations, and service delivery framework identified in this Addendum B – Program Scope of Work, which is incorporated into and governed by the terms of the Interlocal Agreement between the NWESD and the District.

Reg. 19006 on April 27, 2009 and in annual guidance published thereafter.

II. PERMITTED USES AND DISCLOSURES BY BUSINESS ASSOCIATE

A. Business Associate may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Agreements, provided that such use or disclosure would not violate the HIPAA Privacy and Security Rules if done by Covered Entity.
B. Business Associate may use PHI in its possession for its proper management and administration and to fulfill any present or future legal responsibilities of Business Associate, provided that such uses are permitted under state and federal confidentiality laws.
C. Business Associate may disclose PHI in its possession to third parties for the purposes of its proper management and administration or to fulfill any present or future legal responsibilities of Business Associate, provided that:
    1. The disclosures are required by law; or
    1. Business Associate obtains reasonable assurances from the third parties to whom the PHI is disclosed that the information will remain confidential and be used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party, and that such third parties will notify Business Associate of any instances of which they are aware in which the confidentiality of the information has been breached.
D. Until such time as the Secretary issues regulations pursuant to the HITECH Act specifying what constitutes "minimum necessary" for purposes of the HIPAA Privacy and Security Rules, Business Associate shall, to the extent practicable, access, use, and request only PHI that is contained in a limited data set (as defined in Section 164.514(e)(2) of the HIPAA Privacy and Security Rules), unless Business Associate requires certain direct identifiers in order to accomplish the intended purpose of the access, use, or request, in which event Business Associate may access, use, or request only the minimum necessary amount of PHI to accomplish the intended purpose of the access, use, or request.

The Parties shall collaborate in determining what quantum of information constitutes the "minimum necessary" amount for Business Associate to accomplish its intended purposes.

III. OBLIGATIONS AND ACTIVITIES OF BUSINESS ASSOCIATE

A. Business Associate acknowledges and agrees that all PHI that is created or received by Covered Entity and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by Covered Entity or its operating units to Business Associate or is created or received by Business Associate on Covered Entity's behalf shall be subject to this Agreement.

B. Business Associate agrees to not use or further disclose PHI other than as permitted or required by this Agreement or as required by law.

C. Business Associate agrees to use appropriate safeguards to prevent use or disclosure of PHI other than as provided for by this Agreement. Specifically, Business Associate will:

2. Implement the administrative, physical, and technical safeguards set forth in Sections 164.308, 164.310, and 164.312 of the HIPAA Privacy and Security Rules that reasonably and appropriately protect the confidentiality, integrity, and availability of any PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity, and, in accordance with Section 164.316 of the HIPAA Privacy and Security Rules, implement and maintain reasonable and appropriate policies and procedures to enable it to comply with the requirements outlined in Sections 164.308, 164.310, and 164.312; and
3. Report to Covered Entity any use or disclosure of PHI not provided for by this Agreement, including any Security Incident, of which Business Associate becomes aware, regardless of whether the Security Incident rises to the level of a Breach. For purposes of this Agreement, "Security Incident" means the successful unauthorized access, use, disclosure, modification, or destruction of PHI or interference with system operations in an information system, of which Business Associate has knowledge or should, with the exercise of reasonable diligence, have knowledge, excluding (i) "pings" on an information system firewall; (ii) port scans; (iii) attempts to log on to an information system or enter a database with an invalid password or user name; (iv) denial-of-service attacks that do not result in a server being taken offline; or (v) "malware" (*e.g.*, a worm or a virus) that does not result in unauthorized access, use, disclosure, modification or destruction of PHI. The report shall be made as soon as practical, and in any event within ten (10) days of Business Associate's discovery of the Security Incident. A Security Incident shall be treated as discovered by Business Associate as of the first day on which such Security Incident is known to Business Associate or, through the exercise of reasonable diligence, would have been known to Business Associate.

D. Business Associate agrees to ensure that any agent, including a subcontractor, to whom it provides PHI received from, or created or received by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such information.

E. Business Associate agrees to comply with any requests for restrictions on certain disclosures of PHI to which Covered Entity has agreed in accordance with Section 164.522 of the HIPAA Privacy and Security Rules and of which Business Associate has been notified by Covered Entity. In addition, and notwithstanding the provisions of Section 164.522 (a)(1)(ii), Business Associate agrees to comply with an individual's request to restrict disclosure of PHI to a health plan for purposes of carrying out payment or health care operations if the PHI pertains solely to a health care item or service for which Covered Entity has been paid by in full by the individual or the individual's representative. The restriction can only apply to disclosures beginning the next business day after the request for restriction is received.

F. At the request of Covered Entity, and in a reasonable time and manner, Business Associate agrees to make available PHI required for Covered Entity to respond to an individual's request for access to his or her PHI in accordance with Section 164.524 of the HIPAA Privacy and Security Rules. If Business Associate maintains PHI electronically, it agrees to make such PHI available electronically to the applicable individual or to a person or entity specifically designated by such individual, upon such individual's request.

G. At the request of Covered Entity, and in a reasonable time and manner, Business Associate agrees to make available PHI required for amendment by Covered Entity in accordance with the requirements of Section 164.526 of the HIPAA Privacy and Security Rules.
H. Business Associate agrees to document any disclosures of, and make PHI available, for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy and Security Rules.
I. Business Associate agrees that it will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of, Covered Entity, available to the Secretary for the purpose of determining Covered Entity's compliance with the HIPAA Privacy and Security Rules, in a time and manner designated by the Secretary.
J. Business Associate agrees that, while present at any Covered Entity facility and/or when accessing Covered Entity's computer network(s), it and all of its employees, agents, representatives and subcontractors will at all times comply with any network access and other security practices, procedures and/or policies established by Covered Entity including, without limitation, those established pursuant to the HIPAA Privacy and Security Rules.
K. Business Associate agrees that it will not directly or indirectly receive remuneration in exchange for any PHI of an individual without the written authorization of the individual or the individual's representative, except where the purpose of the exchange is:
    4. For public health activities as described in Section 164.512(b) of the HIPAA Privacy and Security Rules;
    5. For research as described in Sections 164.501 and 164.512(i) of the HIPAA Privacy and Security Rules, and the price charged reflects the costs of preparation and transmittal of the data for such purpose;
    6. For treatment of the individual, subject to any further regulation promulgated by the Secretary to prevent inappropriate access, use, or disclosure of PHI;
    7. For the sale, transfer, merger, or consolidation of all or part of Business Associate and due diligence related to that activity;
    2. For an activity that Business Associate undertakes on behalf of and at the specific request of Covered Entity;
    3. To provide an individual with a copy of the individual's PHI pursuant to Section 164.524 of the HIPAA Privacy and Security Rules; or
    4. Other exchanges that the Secretary determines in regulations to be similarly necessary and appropriate as those described in this Section III.K.
L. Business Associate agrees that it will not directly or indirectly receive remuneration for any written communication that encourages an individual to purchase or use a product or service without first obtaining the written authorization of the individual or the individual's representative, unless:
    1. Such payment is for a communication regarding a drug or biologic currently prescribed for the individual and is reasonable in amount (as defined by the Secretary); or
    2. The communication is made on behalf of Covered Entity and is consistent with the terms of this Agreement.
M. Business Associate agrees that if it uses or discloses patients' PHI for marketing purposes, it will obtain Covered Entity's written approval and such patients' authorization before making any such use or disclosure.

IV. BUSINESS ASSOCIATE'S MITIGATION AND BREACH NOTIFICATION OBLIGATIONS

A. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement.
B. Following the discovery of a Breach of Unsecured Protected Health Information, Business Associate shall notify Covered Entity of such Breach without unreasonable delay and in no case later than ten (10) calendar days after discovery of the Breach. Associate as of the first day on which such Breach is known to Business Associate or, through the exercise of reasonable diligence, would have been known to Business Associate.

C. Notwithstanding the provisions of Section IV.B., above, if a law enforcement official states to Business Associate that notification of a Breach would impede a criminal investigation or cause damage to national security, then:
   3. If the statement is in writing and specifies the time for which a delay is required, Business Associate shall delay such notification for the time period specified by the official; or
   4. If the statement is made orally, Business Associate shall document the statement, including the identity of the official making it, and delay such notification for no longer than thirty (30) days from the date of the oral statement unless the official submits a written statement during that time. Following the period of time specified by the official, Business Associate shall promptly deliver a copy of the official's statement to Covered Entity.

D. The Breach notification provided shall include, to the extent possible:
   5. The identification of each individual whose Unsecured PHI has been, or is reasonably believed by Business Associate to have been, accessed, acquired, used, or disclosed during the Breach;
   6. A brief description of what happened, including the date of the Breach and the date of discovery of the Breach, if known;
   7. A description of the types of Unsecured PHI that were involved in the Breach (such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved);
   8. Any steps individuals should take to protect themselves from potential harm resulting from the Breach;
   5. A brief description of what Business Associate is doing to investigate the Breach, to mitigate harm to individuals, and to protect against any further Breaches and when such steps were taken; and
   6. Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, Web site, or postal address.

E. Business Associate shall provide the information specified in Section IV.D. above, to Covered Entity at the time of the Breach notification, if possible, or promptly thereafter as information becomes available. Business Associate shall not delay notification to Covered Entity that a Breach has occurred in order to collect the information described in Section IV.D., and shall provide such information to Covered Entity even if the information becomes available after the ten (10)-day period provided for initial Breach notification.

V. OBLIGATIONS OF COVERED ENTITY

A. Upon request of Business Associate, Covered Entity shall provide Business Associate with the notice of privacy practices that Covered Entity produces in accordance with Section 164.520 of the HIPAA Privacy and Security Rules.

B. Covered Entity shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose PHI, if such changes affect Business Associate's permitted or required uses and disclosures.

C. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI to which Covered Entity has agreed in accordance with Section 164.522 of the HIPAA Privacy and Security Rules, and Covered Entity shall inform Business Associate of the termination of any such restriction, and the effect that such termination shall have, if any, upon Business Associate's use and disclosure of such PHI. Business Associate shall have a reasonable period of time to act on such notice.

VI. TERM AND TERMINATION

A. Term. The Term of this Agreement shall be effective as of the date first written above, and shall terminate upon the later of the following events: (i) in accordance with Section VI.C., when all of the PHI provided

Docusign Envelope ID: D1F2F16C-A6FE-8CEF-82DF-B2F979CC2A99

by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity or, if such return or destruction is infeasible, when protections are extended to such information; or (ii) upon the expiration or termination of the last of the Agreements.

B. Termination. Upon either Party's knowledge of a material breach by the other Party of its obligations under this Agreement, the non-breaching Party shall, within twenty (20) days of that determination, notify the breaching Party, and the breaching Party shall have thirty (30) days from receipt of that notice to cure the breach or end the violation. If the breaching Party fails to take reasonable steps to effect such a cure within such time period, the non-breaching Party may terminate this Agreement and the Agreements. Where either Party has knowledge of a material breach by the other Party and determines that cure is infeasible, prior notice of the breach is not required, and the non-breaching Party shall terminate the portion of the Agreements affected by the breach. Where neither cure nor termination is feasible, the non-breaching Party shall report the violation to the Secretary.

C. Effect of Termination.
   1. Except as provided in paragraph (2) of this subsection C., upon termination of this Agreement, the Agreements or upon request of Covered Entity, whichever occurs first, Business Associate shall within ten (10) days return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Neither Business Associate nor its subcontractors or agents shall retain copies of the PHI.
   2. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide within ten (10) days to Covered Entity notification of the conditions that make return or destruction infeasible. Upon mutual agreement of the Parties that return or destruction of PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI.

VII. MISCELLANEOUS

A. Indemnification. Each Party shall indemnify and hold the other harmless from and against all claims, liabilities, judgments, fines, assessments, penalties, awards, or other expenses, of any kind or nature whatsoever, including, without limitations, attorneys' fees, expert witness fees, and costs of investigation, litigation or dispute resolution, relating to or arising out of any breach or alleged breach of this Agreement, or any Breach, by that Party or its subcontractors or agents.

B. No Rights in Third Parties. Except as expressly stated herein, in the HIPAA Privacy and Security Rules, the Parties to this Agreement do not intend to create any rights in any third parties.

C. Survival. The obligations of Business Associate under Section VI.C. of this Agreement shall survive the expiration, termination, or cancellation of this Agreement, the Agreements, and/or the business relationship of the Parties, and shall continue to bind Business Associate, its agents, employees, contractors, successors, and assigns as set forth herein. Furthermore, the Parties' indemnification obligations pursuant to Section VII.A. of this Agreement shall survive the expiration, termination, or cancellation of this Agreement, the Agreements, and/or the business relationship of the Parties, and shall continue to bind the Parties, their agents, employees, contractors, successors, and assigns as set forth herein.

D. Amendment. This Agreement may be amended or modified only in a writing signed by the Parties. The Parties agree that they will negotiate amendments to this Agreement to conform to any changes in the HIPAA Privacy and Security Rules as are necessary for Covered Entity to comply with the current requirements of the HIPAA Privacy and Security Rules. In addition, in the event that either Party believes in good faith that any provision of this Agreement fails to comply with the then-current requirements of the HIPAA Privacy and Security Rules or any other applicable legislation, then such Party shall notify the other Party of its belief in writing. For a period of up to thirty (30) days, the Parties shall address in good

Docusign Envelope ID: D1F2F16C-A6FE-8CEF-82DF-B2F979CC2A99

faith such concern and amend the terms of this Agreement, if necessary to bring it into compliance. If, after such thirty (30)-day period, the Agreement fails to comply with the HIPAA Privacy and Security Rules or any other applicable legislation, then either Party has the right to terminate this Agreement and the underlying arrangement upon written notice to the other Party.

E. Assignment. Neither Party may assign its respective rights and obligations under this Agreement without the prior written consent of the other Party.

F. Independent Contractor. None of the provisions of this Agreement are intended to create, nor will they be deemed to create, any relationship between the Parties other than that of independent parties contracting with each other solely for the purposes of effecting the provisions of this Agreement and any other agreements between the Parties evidencing their business relationship.

G. Governing Law. To the extent this Agreement is not governed exclusively by the HIPAA Privacy and Security Rules or other provisions of federal statutory or regulatory law, it will be governed by and construed in accordance with the laws of the State of Washington.

H. No Waiver. No change, waiver, or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

I. Interpretation. Any ambiguity of this Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Privacy and Security Rules.

J. Severability. In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions of this Agreement will remain in full force and effect.

K. Notice. Any notification required in this Agreement shall be made in writing to the representative of the other Party who signed this Agreement or the person currently serving in that representative's position with the other Party.

L. Certain Provisions Not Effective in Certain Circumstances. The provisions of this Agreement relating to the HIPAA Security Rule shall not apply to Business Associate if Business Associate does not receive any Electronic PHI from or on behalf of Covered Entity.

M. Entire Agreement. This Agreement constitutes the entire understanding of the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written. In the event of any inconsistency between this Agreement and any other agreement between the Parties concerning the use and disclosure of PHI and the Parties' obligations with respect thereto, the terms of this Agreement shall control.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year written above.
