

Assessing Student Threats in the School:

Utilizing the Site-Based, Level 1 Student Threat
Assessment Protocol

Wednesday or Thursday, March 28/29, 2018, at the NWESD

8:30 AM - 4:30 PM, Cap Sante Room

This training will cover the following material:

- The basic concepts of threat assessment with a focus on youth risk factors
- A brief review of supportive research and best practice prescriptive recommendations for assessment and management
- The application of threat assessment concepts and research in a site based protocol, called a Level 1
- Direct instruction on conducting Level 1 threat assessments at a school level, including the process for referral to a community-based Level 2 threat assessment support team
- Case review and lab exercises demonstrating the Level 1 threat assessment process
- Q and A and problem solving that addresses each school district's unique needs.

Presenter:

JOHN VAN DREAL

*School Psychologist and the Director of
Safety and Risk Management Services
for the Salem-Keizer School District*
