#### Learning Targets:

##### **9:00am-11:00 am: Session 1:**

**Group A:** Participants will (1) understand expectations for assurances in district-level Expected Indicators, (2) understand services and supports available to district teams, (3) understand OSSS guidance on implementation of district-level Expected Indicators, and (4) view examples of district-level evidence from 2014 submissions.

**Group B:** Participants will (1) learn to become familiar with the Action Planning Process, (2) gain understanding of CEE Data packages and how data is used to inform Action Planning, (3) learn the use of the Current Level of Development Tool as it relates to school level Expected Indicators, and (4) creating S.M.A.R.T. Goals with Expected Indicators

**11:00am – 12:00pm Session 2:** Participants will learn Title I updates on Schoolwide plan integration and Targeted Assistance plan integration.

##### **12:00-12:45 Lunch**

##### **12:45pm – 3:30pm Session 3:**

**Group B:** School teams will use collaboration as a tool for learning to further develop their Action Plans. Participants of continuing and Priority and Focus schools will collaborate in peer reviews and collaborate in further developing their Action Plans.

**3:30pm – 4:30pm Session 4:** Teams will collaborate with ESD Staff to align ESD services to the needs at the district and school level.

**Materials Required:** For continuing schools participating in Session 3 Group B please have 3 copies of current Action Plan filtered for Expected Indicators only. Laptop/Tablet that is internet ready.

*Commitment to each other is critical.*

*Take it step by step—but keep it moving forward—and a year from now,  
we've moved from here to there.*
