

# 2014-7-31

**July 31, 2014**

**Chair:** Terri Johnson (Prof/Tech)

**Note Taker:** Wendy Chevalier (Prof/Tech)

**Team Reps:** Carol Browder (Directors)  
Dorothy Moller (Support Staff)  
Jerry Jenkins (Superintendent)

Nancy Menard (Support Staff)  
Kara Moore (Support Staff)

## **Call to Order**

Terri called the meeting to order at 1:00 p.m.

## **Approval of Minutes**

Carol moved and Dorothy seconded to approve the minutes as presented. All agreed.

## **Old Business**

There was no old business to discuss.

## **New Business**

**Name Tags for Employees:** It had been announced at an All-Staff Meeting that an employee had put a request in the Suggestion Box that we consider having employees wear name tags for safety issues. Jerry announced that he would bring this request to LCC for further discussion. The NWESD district office is open to the public. We have many workshop attendees who have access to the building, as do numerous school district administrators and other district employees. LCC could come up with no reason as to why having our employees wear name tags would increase either our safety or that of the public, so the wearing of name tags will remain optional.

**Call for New Members:** Since Wendy will be leaving in December, there will be a need for Prof/Tech to elect all three new representatives to LCC prior to the September LCC meeting.

## **Team Reports**

1. **Support Staff:** Nothing to report.
2. **Prof/Tech:** Nothing to report.

3. **Directors:** Carol reported that they are still working on mileage reimbursement issues.
4. **Superintendent:** Jerry said the first trial meeting in the new rooms downstairs showed that noise between the rooms is an issue, so doors will be installed at each end of the hallway.

## **Adjournment**

The meeting adjourned at 1:25 p.m.
