

Student Growth Measures for Criterion 3, 5, and 8

What sources of data will you be using to demonstrate student growth?

Criterion 3.5: Provides evidence of student growth that results from the school improvement planning process. *(intended to analyze the achievement of all or most of the students in the school)*

Criterion 5.5: Provides evidence of student growth of selected teachers. *(designed to analyze the achievement of students assigned to a subset of teachers that a principal identifies)*

Criterion 8.3: Provides evidence of growth in student learning. *(designed to analyze subsets of student population that are identified for the purpose of closing achievement gaps between them and the student population as a whole)*
