

Increase Understanding of Legislative Requirements

Purpose: To Increase understanding of the legislative requirements for using student growth data as one of several measures in an educator's evaluation in Washington state

Materials: TPEP FAQs, Decision Matrix, post-it notes, highlighters

Roles: Two presenters (one per group)

Protocol

1 minute District leadership teams break into two groups. One group receives the Matrix; the other group receives the FAQs.

8 minutes Group 1 reads FAQs. Group 2 reads Matrix. During the reading, group members use post-its or highlighters to note wonderings/noticings to share with the other group.

7 minutes Each group creates a "NEED to KNOW" brief summary for their 'other half'.

4 minutes Each group appoints a presenter who shares summary with other half; 2 minutes per presentation.
