

Characteristics of a Sound Student Growth Goal

Purpose: Learn and apply the student growth rubric structure and language

Materials: Notes taken by individual group members about student growth goals
Sample SMART goal handouts
Poster checklist

Protocol

- | | |
|------------|---|
| 10 minutes | With a partner, examine the SMART goals on the handouts. Circle goals you think would be most useful/helpful. |
| 10 minutes | Using your circled list of sample goals as a guide to continue your list of characteristics of a sound student growth goal. |
| 10 minutes | In your district team, share out what each pair has listed to create a draft bulleted list of characteristics of a sound student growth goal for your district. |
