

Identification of K-12 Highly Capable Learners: The Basics

A Half-Day Workshop for HiCap Administrators and District Coordinators

January 28, 2016

8:30 am — 12:30 pm

Cost: Free to HiCap member districts
4 Clock Hours available (\$13)

Session ID 31422

This is a practical workshop on how to design a K-12 identification system that fulfills WAC requirements and best practices. The workshop will provide guidance for how to reliably identify K-12 highly capable learners from both traditional and under-represented K-12 populations. Participants will walk away with timelines, written procedures, identified tools, and forms necessary to put a plan into action.

Instructor: Jan Bonzon

This class will be held at the
NWESD

1601 R Avenue
Anacortes, Washington 98221
